

ADVANSIX TO PRESENT AT JEFFERIES GLOBAL INDUSTRIALS CONFERENCE

Parsippany, N.J., July 26, 2018 – AdvanSix (**NYSE: ASIX**) announced that Erin Kane, president and CEO of AdvanSix, will be presenting at the Jefferies Global Industrials Conference in New York City on Thursday, August 9, 2018 from 1:00 – 1:35 p.m. ET.

A real-time audio webcast of the presentation can be accessed at <http://investors.advansix.com>. Related materials will be posted prior to the presentation at that site, and a replay of the webcast will be available on the AdvanSix investor website for 90 days following the presentation.

About AdvanSix

AdvanSix is a leading manufacturer of Nylon 6, a polymer resin which is a synthetic material used by our customers to produce engineered plastics, fibers, filaments and films that, in turn, are used in such end-products as automotive and electronic components, carpets, sports apparel, fishing nets and food and industrial packaging. As a result of our backward integration and the configuration of our manufacturing facilities, we also sell caprolactam, ammonium sulfate fertilizer, acetone and other intermediate chemicals, all of which are produced as part of our Nylon 6 integrated manufacturing chain. More information on AdvanSix can be found at <http://www.advansix.com>.
