About AdvanSix

AdvanSix is a leading manufacturer of Nylon 6, a polymer resin which is a synthetic material used by our customers to produce fibers, filaments, engineered plastics and films that, in turn, are used in such end-products as carpets, automotive and electronic components, sports apparel, food packaging and other industrial applications. As a result of our backward integration and the configuration of our manufacturing facilities, we also sell caprolactam, ammonium sulfate fertilizer, acetone and other intermediate chemicals, all of which are produced within unit operations across our integrated manufacturing value chain. More information on AdvanSix can be found at <http://www.advansix.com>.
